Good afternoon. As you know we had several Officers injured during an arrest on 9-8-14. This is the arrest where Bob Reyes was bitten. He is back at full duty. Officer Melvin and Mooney are still light duty.

They have been off on workman's comp so we had not been billing you for them. I am sending Melvin to work at Burbank and the company will pay him. I would like to bring Mooney here and have him answer the phone and do filing etc. back on the payroll if that is agreeable. If not, Andrews will cover his pay. Thanks.
